2. Both Interstate and SBWGE are subsidiaries of Interstate Energy Corporation (d/b/a/ Alliant Energy Corporation) and public utilities engaged in the transmission, distribution and sale of electricity for domestic, commercial and industrial use in Illinois, and are public utilities within the meaning of the Illinois Public Utilities Act ("Act"), 220 ILCS 5/1-101 et seq. Alliant Resources is an unregulated subsidiary of Interstate Energy Corporation (d/b/a/ Alliant Energy Corporation) with its headquarters in Cedar Rapids, Iowa. Alliant Resources, through its subsidiaries, provides a number of energy related products to various end use customers.

3. This proceeding was initiated on the Commission's own motion for the purpose of adopting requirements governing the form and content of contract summaries to be filed on or before June 1, 2000, under Section 16-I 12(b) of the Act.

4. As regulated combination gas and electric utilities, Interstate and SBWGE have a direct interest in, and may be affected by, the determinations of the Commission in this proceeding.

5. Alliant Energy Resources, through its provision of a number of energy related products to various end use customers have a direct interest in, and may be affected by, the determinations of the Commission in this proceeding.

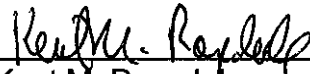

6. No other party can adequately represent Alliant Energy's interests before the Commission.

7. Alliant Energy's intervention will not delay this proceeding,

WHEREFORE, Alliant Energy requests permission to intervene as parties with full rights to appear and be heard at all stages of these proceedings

Respectfully submitted,
